ADVENTURES IN DANCE

2008-2009 FALL SCHEDULE

(Subject to change)

The **Adventures in Dance** program offers a stimulating introduction to dance designed to bring the joy of music and movement to young children. Led by our expert faculty, the creative movements and exercises are a fun way for children to enhance the development of their mind and body, while setting the foundation for proper dance technique. Musicality, coordination, and creativity are at the heart of our weekly classes.

Our new "Hablando y Bailando" Spanish Language classes for toddlers infuse each lesson with culturally relevant creative movements.
