This year's Junior Society Benefit of the Ballet Hispanico was a true fiesta! With a hybrid of Hispanic culture mixed with fashion, dancers took center stage with Angel Sanchez's magical touch. The Jane Hotel was filled and with such guests as Sophie Elgort, Thorin Scliber, Timo Weiland and Wes Gordon. The evening was très, tres chic. The night was orchestrated by Eduardo Vilaro and with him at the helm of Ballet Hispanico (Artistic Director) we cannot wait to see what he has in store for us next year.
