**CLASS DESCRIPTIONS**

**\*Pasitos Ages 2 - 4**

(2 - 4 year olds with one parent or caregiver)

Children discover the joy of dance alongside an adult. Through the use of cultural imagery, songs, and games, this class fosters each student's coordination, control, and musicality in partnership with their parent or caregiver. As students gain confidence and independence with the material, the teacher will encourage the students to do more of the class independently.

*\* An adult is required to attend each class with their child and is expected to participate alongside them as instructed by the teacher.*

**Pasitos Ages 3 & 4**

Students articulate body parts, explore shapes and actions, and develop basic locomotor movements, while learning dance etiquette. Each class celebrates Latino cultures and enhances coordination, musicality, and movement dynamics with an emphasis on creative expression.

**Pasitos Pre-Ballet Ages 5 & 6**

Creativity and technique are fused into one fun class that refines musicality, flexibility, and control. Students will study foundational ballet concepts through classic stories and cultural music, while also continuing to hone their creative expression.
